Foreword

As the pieces of a puzzle fall into place, so does the school year fall into shape. Piece by piece, the puzzle interlocks to reveal the faces and events that complete the picture of "A Year At EHS."

It is the wish of the Staff that these events may be relived each time you leaf through the pages of this 1963 edition of the Aquila.

In Memoriam

JOYCE GELDIN

December 28, 1945--

November 7, 1962

She is not dead, --the child of
our affection, --

But gone unto that school

Where she no longer needs our
poor protection,

And Christ Himself doth rule.

You Can't Go Wrong...

Nobody should ever consider his education complete. You can't go wrong by getting as much schooling as possible. So strongly does Toledo Edison feel about this that we finance three scholarships a year at the University of Toledo.

Lots of college graduates find Toledo Edison a good place to work. Investor-owned electric companies offer interesting careers in many fields. You might want to look into this.
